AIHE'S INFOGRAPHIC - TERM 3

The Three Little Pigs

Can you find:

- Emotive language
- Rhetorical questions
- Point, evidence and comments
- Facts and opinions

Are the pigs guilty or innocent? People are protesting against the police saying that the pigs are innocent. But there are people on the opposite side rebelling against the others. I will prove that the pigs are guilty.

The pigs killed the wolf on purpose. The wolf was trying to get in through the chimney. But when he was breaking and entering the pigs put the pot of boiling water there to try and kill the wolf. They succeeded but what they did was cold blooded murder.

By Jaden T

Kiwi as Bro

- The North Island is called Te ika a Maui which means the fish that Maui caught.
- Kupe was the first Polynesian to come to NZ. He traveled by canoe and used the stars to help guide him.
- There were many wars between British Troops and Maori warriors.
- In 1840 the Treaty of Waitangi was signed. Not all Maori chiefs wanted to sign it.
