

Ika nui class letter by Dallas and Aroua

Maths - In term 1 and 2 we have been doing workshops throughout Te Moana for maths. We have been choosing the level of maths to do and we learn different strategies. It's good to learn different ways from other teachers.

Swimming - Last term we did some swimming lessons at Paraparaumu pools it was great fun!! We improved so much. On the last day we got to wear life jackets. After swimming had finished some people went to Interschool Swimming Sports . Let's give a big clap to everyone who joined in! Thanks to all the people who participated and helped us with swimming.

Whole School Waiata - In term 1 and 2 we have been doing whole school waiata and our songs are written by Kiwi Artist. We are also doing sign language and Miss Bolton teaches us different actions in sign language and everyone loves to join in!
