## A Message to our school community from Warren Herlihy (Chairperson, Kapiti Primary School Board of Trustees)

The Board of Trustees will be having a meeting this Monday and will be discussing the appointment of the new Principal. We are looking forward to this process as it is a great opportunity to hire someone who can continue the positive journey KPS is on. The Board will keep you informed of the process of hiring a new principal.

Regards  
Warren

### Tena koutou katoa

It has only been two weeks at school and the students have been participating in many activities. Please enjoy the pictures of some of these great events. We have students training early morning for the cross country, there has been baking happening in the staffroom and students have been planting herbs in our garden boxes.

Next Wednesday (16 May) we have **World of Maths** coming to the school which is a great opportunity for our students to participate in interactive hands on problem solving. This will be held in the school hall and the cost per student is \$6. Please either pay this into the school bank account or send the money to the school office/classroom teacher.

The next big event is the **school disco** which is happening on Friday 1 June. The junior disco (Years 1-4) will be at 5:30pm – 6:30pm and the senior disco (Years 5-8) will be at 7pm- 8pm). We look forward to seeing all the children at this event.
