Thanks for your patience and attending our Cross Country as the weather was tricky to predict. The main thing is that the children had a great timer and we got through the event.

Technology Evening – 6 June – for Parents and Caregivers – Tickets available at the school office

There is an opportunity on 6 June to come along and gain tips on tackling technology and supporting your children to cope with the tricky world of using technology. This event will happen in our school hall and start at 7pm and run for an hour and a half. Below is a blurb about the presentation and it will be an extremely informative evening.

Tickets are available in the school office and are \$5 or through the Place workshop.

TECHNOLOGY TODAY

Parents will get the skills and confidence they need to be proactive in tackling text bullying, porn, sexting, online predators, gadget addiction and electronic gaming. Be aware of the scope and perils of the digital age, moving on past the negatives through to maximising the positives and putting safeguards in place.

School Disco is happening TOMORROW Friday 1 June. The junior disco (Years 1-4) will be at 5:30pm – 6:30pm and the senior disco (Years 5-8) will be at 7pm- 8:30pm. We look forward to seeing all the children at this event and thank all the parents for organising the evening.
