It has been a busy week here at KPS. We have had the Interschool Cross Country, Disco and our Technology Today parent evening.

The disco was a great success and the children had a fun time. I would like to thank the students for their participation and displaying our school values. A special thank you to the parents that helped make the evening a success – Emma and David Orchard, Jasmine Speight and Jason Hunter - your contribution made the event possible and fun for the children

Well done to all the children who participated in the interschool cross country this week. All the early morning trainings paid off and you represented KPS well.

Last night we had our Technology Today evening and it was a very useful and informative session. Nathaniel Kandregula spoke about the importance of knowing the digital world our children play in. He provided helpful hints about keeping children safe while they were on-line. The feedback from the evening was hugely positive and that more evenings like this would be a great way to help support our children.

SCHOOL/TEAM PHOTOS

You will see on the calendar that the date has changed to **5 July**. We have changed the day as some of our seniors will be out on the original date. Pre-paid envelopes are being sent home. These need to be returned with the money to Carol in the office the day before the photos are taken (4 July).
