

TUI NEWSLETTER

Here we are in the middle of term 3 already!

It's been great to see all the children busily involved in our Term 3 programmes. All the classes have been working hard towards the school production which will be performed on Thursday the 16th, with a matinee show at 12 o'clock and the second performance at 6pm. We would love to see you all along to one of the shows.

The whole school came together to support our teachers by writing positive words about our learning and education.

During our Matariki study Tui/Kokako made two beautiful kites which are displayed in our classrooms. Come in and take a look.
