

The KPS Weekly

Growing Confident
Connected Explorers

30 June 2021

Tēnā koutou katoa,

We hope you have been able to wrap up warm over the last few days. With the cold weather comes winter colds and flu. If your child is feeling unwell, it is best to allow them to recover at home so they are able to get back to school and resume their learning. Thank you for your support during Alert Level 2. It is great to now be at Alert Level 1 again with the rest of the country but it was a good reminder for us to keep vigilant. We have less than two weeks until the end of the term - Friday 9 July. Our tamariki and teachers will be looking forward to a break so they can be re-energised for Term 3. As you will be aware, there has been a lot of great learning going on at Kapiti School during Term 2 with teachers taking advantage of many opportunities for our tamariki both inside and outside the classroom. By the end of the term, evidence will have been uploaded to Seesaw showing progress students have made towards their goals. Next week, you will receive a report via Seesaw. We will also send home a hard copy.

Dates

TERM 2

July

2	Assembly 9.10am
2	Paraparaumu College Open Day
8	Assembly 9.10am
8	Matariki Evening
9	Dental Van finishes
9	School Photos
9	TERM 2 ENDS

Matariki

We are really looking forward to you joining us next week for our Matariki event. This will be on Thursday, the last week of the term (8 July) from 5:30pm - 7:30pm. It is always a successful event and we look forward to you joining us to spend time in classrooms and participate in some fun Matariki activities. We will also have share dinner so if you can bring some kai along to share that would be great.

Absences

Regular attendance at school is so important to support our tamariki to become successful adults. Along with learning traditional subjects like Reading and Writing, it prepares them to develop a range of diverse positive relationships, build resilience and become expert communicators. Next term, we are having a strong push on improving our attendance. Each class will be working towards a goal for termly attendance and classes will earn a reward at the end of the term. We know that sometimes getting students to school can be a challenge. If you would like support with this, please come and see me or your child's classroom teacher.

Bee Healthy

Unfortunately, we have just heard that the Bee Healthy dental van will not be visiting us this term due to not having enough staff. They have committed to being back on site in Term 4. If you have any emergencies for your children please give them a call on 0800 TALKTEETH.

FREE Period Products

Please come and get these through Carol (or phone/email her) or get your daughter to pop in and pick some up from her. This is every month so please take advantage of this so that you don't have to purchase these yourself.

School Photo Envelopes

These were sent home yesterday so please check your child's bag for them. If you would like all your children photographed together you can get a sibling envelope from Carol. The envelopes and money needs to be back at school before photos are taken - 9am on Friday 9 July. If you are not paying online please make sure that you put the correct money in the envelope.

Thank you for your support with the early finish today. This was very much appreciated.

Ngā mihi nui
Brent McDowell, Principal

Term Two Assembly

Week	Assembly
10	Te Marama
