Together Everyone Achieves More

22 July 2020

Tēnā koutou katoa

I was pleased to have a beautiful day at the start of the term to welcome everyone back. I hope you had a restful break. We are all looking forward to having a more straightforward Term Three. Please have a look at the calendar dates so you know what events are coming up. Our inter-school sports events are back up and running and we look forward to you coming down in Week 6 for conferences.

Matariki

Thank you for braving the cold conditions to come down and end the term with us on a high. It was brilliant seeing so many of you turn out for our matariki event on a very wintery evening. It is always lovely getting our school community together and I was impressed with the dancing skills!

Mihi Whakatau/Pōwhiri

We welcomed new whanau and staff to Kapiti Primary School this morning. We have decided that, going forward, we will use a mihi whakatau programme rather than powhiri. Our welcome will still look very similar and this will be more fitting for a school environment. We always enjoy you coming to help us welcome manuhiri to our school.

Attendance at School

The Ministry of Education has alerted all schools that attendance has been dropping over the last few years. I understand that it can be a challenge to get tamariki to school on some days and we want to help. Having children at school is really important to help them build the skills they need to be successful

as they grow. If you need support getting children to school, please talk to your classroom teacher or make a time to see me. When a child is absent, please let us know by calling and leaving a message - 2985605. If you haven't been able to do that, Carol will give you a call and ask you for a reason why there is an absence. This is a Ministry of Education requirement. By working together, we can ensure a good start for our tamariki and set them up for a successful future.
