

The KPS Weekly

Growing Confident
Connected Explorers

2 June 2021

Staff Only Day - This Friday

Tēnā koutou katoa,

We are coming up to the halfway point of this term; I've really enjoyed visiting classrooms and talking with students about their learning over the last week. It is delightful to see our tamariki developing their potential through our new curriculum. Students are building their confidence to work with a range of people and share their learning. Students are currently busy collecting evidence to show progress towards their goals. A more detailed communication is being sent out shortly around our reporting. Please keep an eye out for it and have a read.

This Friday we have a staff only day where we will be continuing to develop our curriculum. Classroom teachers continue to develop their skills to support student development and grow Confident Connected Explorers. As you know, teachers and students have been learning how to be Collaborative Communicators. Learning from each other, asking questions and sharing their thoughts. As we move into Term 3, we will start to unpack our next driver Whakawhanaungatanga and Identity.

Year 7 - 8 Camp

Thank you to those who came along to our camp meeting last week. If you couldn't make it, please keep a look out for more communications.

Matariki

We have an exciting opportunity to display some Matariki inspired artwork at the public library. The theme is Mahinga Kai which embodies natural resources and harvesting from them. We look forward to having our tamariki's artwork displayed for the local community.

We will be hosting a Matariki evening on Thursday 8 July. This is always a fantastic event so please pencil the date into your calendar.

Reminder - Dates for your Diary

Friday 25 June is a staff only day. This day will be used for staff to visit the local Marae. Don't forget that **this Monday is a public holiday** and we will see you back on Tuesday.

Ngā mihi nui
Brent McDowell, Principal

Dates
