## Kapiti Community Expo

The Kapiti Community Expo, hosted by our Whānau Wellbeing Hub, was a huge success. Thank you to those who were able to make it on the day. There were lots of great community connections made with our health and community groups. Me mahi tahi tātou mo te oranga o te katoa.

## Growing Confident Connected Explorers

I loved having some of our senior students come and join me yesterday with a proposal for a class trip. They have designed, costed, organised logistics and put together a health and safety plan. The conversations were rich and I was very impressed with the level of thinking around how this trip would benefit their learning. This is another great example of Growing Confident Connected Explorers.

## Junior Winter Tournament

Next Wednesday, our Year 5 and 6 students will be participating in the Junior Winter Tournament. Students need to be here by 8.30am on the day as buses are leaving soon after, to Te Atiawa and Mazengarb Parks. It is a great day for our tamariki. A separate notice has been sent home with more detailed information.

## Dates for your Diary - Staff Only Day

This term, we will be having a staff only day on **Friday 27 August**. This day will allow staff valuable time to continue our journey building the new curriculum.

Early finish at 2pm on 1 September for Student Led Conferences. You will be able to make a time with Carol closer to the date.

**Ngā mihi nui**
