Tēnā koutou katoa

What an excellent night we had on Friday with so many of you coming down for our picnic. We managed to provide some great weather and the sausages were cooked to perfection. It was awesome to see so many adults joining in the activities. From a personal standpoint, it was great to come around and have a quick chat with most of you and I know our teachers enjoyed meeting some of you for the first time and catching up after the summer break. Thanks to all who helped make the night a huge success. We are looking to get you back in the school gates for an open afternoon in classes and for goal setting meetings later in the term.

Swimming

Swimming has started this week; thank you for getting all the permissions back. It is important that our tamariki who grow up in Aotearoa can swim and have a good understanding of being in and around water. If you have the time, please pop down to the pool to see our tamariki swimming.

Whanau Wellbeing Hub

It is great to have our Whānau Wellbeing Hub running again to offer our community support in a range of different ways. If you would like to talk to Jo, you can contact her directly by emailing her at whanauwellbeing@kapiti.school.nz or pop down on Mondays or Wednesdays between 9am and 10:30am. Please sign in at the school office and Carol will direct you to the hub. If you would prefer to make contact via the school office give Carol a call on 2985605 and she will put you in touch with Jo.
