Tēnā koutou katoa

It's Week 2 already and before we know it, we will be farewelling you all for the summer. As the weather improves, we need to ensure our tamariki are protected from the sun. A full brim hat is essential. We will provide sunscreen at school but it would be best if you applied some in the morning. Thanks for your support with this.

## Fun Run

What a fabulous event we have had and thank you for your support. Our tamariki had a great time challenging themselves around the course and enjoyed the sausages! Thanks Mrs A for all the organising. Here are some photos of the day for you to enjoy.

## Kapiti's Got Talent

We are excited to be starting off with the first round of Kapiti's Got Talent this week at our Assembly. You are welcome to come and join us to support our tamariki. It is never easy to stand up in front of an audience and put yourself out there so it would be amazing to have your encouraging support. Unfortunately I didn't make it through to the final round. 😞

## Te Marama

Te Marama enjoyed their first learning session at Kaitawa Reserve yesterday. They will be regularly visiting to learn in a more authentic, hands-on way. Reports back from our tamariki were that they thoroughly enjoyed it and were highly engaged in their learning.

## Hats for Term Four

In case you missed it at the top of the newsletter, Term Four is a hat wearing one. Your tamariki must wear a pōtae with a full brim. This is really important to protect young skin against sunburn and skin cancer later in life. We know you will support us with this.

Enjoy the long weekend and we will see you on Tuesday!
