Tēnā koutou katoa

We are very quickly nearing the end of the year and everyone will be looking forward to a restful break. Hopefully the sun will shine for us this summer. We have a lot happening over the next few weeks so please look at dates on this newsletter and our calendar. I've outlined some below.

## Kapiti's Got Talent

It was fabulous to see the final of Kapiti's Got Talent last week. Thanks so much to whanau who came down to support. Congratulations to all contestants and to Isaac who had the crowd rocking with his piano ensemble and took out the competition.

## Kapa Haka Festival

Next week we will be performing at the Kapa Haka hui. Our Kapa Haka is performing at approximately 11.15am. They do not always run to time. It is a wonderful occasion so please come and support our tamariki.

On Tuesday at 2pm we will have a dress rehearsal so our tamariki can get used to performing in front of a crowd again. We would love you to come down to the hall and help our Kapa Haka to polish their performance.

## School Survey

We have emailed out our survey that we need you to complete. The BOT are seeking feedback about our outside learning spaces and developing a new logo. We will be having two draws for those who respond - \$150 Pak 'n Save food vouchers, just in time for Christmas. Please would you complete by this Friday 27 November. Thanks.

## School Christmas Raffle

Please keep up the amazing job you are doing of selling our raffle tickets. The prize is going to be amazing and this is a great tradition that helps fundraise for the school. If you need more tickets, please contact Carol.

## National Young Leaders Day

Our student council had a wonderful time at the National Young Leaders Day last week. We value building student leaders at school and it was great to reward them with this day of inspiring speakers.

## Strawberry Festival - Mary Potter Hospice - this Saturday

Thanks Mrs Leitch and the team who raised \$249 for the Mary Potter Hospice. It really is a great cause and so amazing to see our tamariki support this.
