Together Everyone Achieves More

5 August 2020

Tēnā koutou katoa

Our sports teams have been doing us proud over the last few weeks. It is always good to hear that our tamariki are enjoying their sport and using their TEAM values outside of school. Congratulations to Toa on winning another game on Monday night and continuing their undefeated season. As always, we can't do this without the support of whanau so thanks to those who volunteer to coach, umpire and support our players.

Goal setting with student/parents/teacher

We would like every child to come along for a 15 minute meeting with their parent/s or caregiver/s to discuss student progress and set their goals for the rest of the year. School will finish at 2 pm on Wednesday 26 August so that we can start the meetings at 2:30 pm. On Thursday 27 August school will finish as usual at 3 pm. Information about booking a time will be sent home shortly.

Winter Tournament

Winter tournament for Year 5-6 students is happening next Wednesday 12 August (pp Friday 14 Aug). This is always a great experience for students to try a new sport that they don't usually play or test their skills against other schools. A notice went home yesterday asking for permission for them to attend. Please return this as soon as possible. Winter tournament for our Year 7-8 students will be coming up at a later date. Details to follow.

Group/Team Photos - orders and money to be in by Friday 14 August please

Photos of our student council, netball and touch teams are up in admin for you to view and can be ordered through Carol at the office. If you would like an order envelope sent home ask your child to pop in and pick one up from her, or give her a call and she will get one to your child.

Schools Docs

This term we are reviewing our Learning Support Policy. Please have a read and send any feedback to admin@kapiti.school.nz. I've attached a copy of the policy to this newsletter but you can also access it through our School Docs site. This will allow you to follow the links:

1. Go to www.schooldocs.co.nz
2. Click **Search for your school**.
3. Start typing the school's name and then select it from the dropdown list.
4. Enter the community username **kapiti** and password **team**

Rail safety week 10-16 August - Cross with Care | Kia tūpato te whakawhiti

Rail Safety Week aims to reduce near miss collisions on level crossings. Every near miss is a traumatic event and has a very real impact on the locomotive engineers, the witnesses involved and on those who nearly lost their lives. Never cross when bells or lights are activated and always look carefully in both directions before crossing. Be especially careful to look for a second train. If one train has stopped at a station another one could be coming. For those families interested, have a look at this [Rail Safety Virtual Field trip](#) information that was shared with participating schools in 2019. Visit the [Tracksafe website](#) for more information.
