Tēnā koutou katoa

Welcome to Week 7 of the term. It was so fantastic to see almost all whanau come down last week for our student-led conferences. I've talked to many of you about how they went and you have all been impressed with your tamariki. We are very proud of the way they are starting to explain their learning and will continue to develop active learners. Thanks for your support.

Cyber Safety

Remember we have John Parsons visiting us next **Wednesday 9 September at 6.30pm**. This is a must for you to come and hear about what your children might be doing on their devices and what conversations you need to have with them to keep them safe.

We will also be raffling off this bike. You just have to come and find out how to support your tamariki with their devices.

Alert Level 2

You will have noticed that there are no adults signing you in and out at drop off and pick up time. At this time if you are coming onsite, please use the COVID-19 app. If you come onsite at any other time, you need to sign in at the office.

We have had confirmation that Year 7 & 8 students travelling to technology on the bus do not need to wear face masks. The bus company has been in touch with us and let us know their protocols. If students want to wear face masks, it is their choice, however, it is not compulsory.

A notice is coming home today about the Year 7 & 8 Winter Tournament. This will only go ahead if we return to Alert Level One. Please return the form so we are prepared for it going ahead. Thanks.

CALENDARS, CARD, DIARIES, MOUSE MATS, SKETCH PADS

Order forms were sent home this week. Artwork by your children. Great presents for friends and family. Orders must be in at the school office by 18 September 2020 (with payment). You are welcome to pay via the internet into the school account: ASB 12 3157 0225260 00, put your child's name and artwork to identify the payment. You will still need to send back the order form.

Wig Wednesday 9 September

Next Wednesday, we will be participating in Wig Wednesday. This is a fundraiser to support kiwi kids with cancer. Students can participate by wearing a wig or styling a funky hairdo. If you would like to donate a gold coin towards this it can be sent along to the class teacher.

Science Roadshow

Today we had the Science Roadshow visit us and it was awesome to see our students so excited about learning. There were a lot of hands-on learning opportunities and it is always delightful to see students in the 'flow' of learning, even the big kids. I'm sure they will come home and tell you all about it.

Production

It has been a really funny year and I'm sure one we will not forget any time soon. With the resurgence of COVID-19, we have all been a little on edge. With the uncertainty of what the near future may bring, we have decided to postpone doing a production this year. While we are disappointed, it would be devastating to put in all the effort needed and not be able to go ahead.

Nga mihi nui,

Brent McDowell
Principal
