Tēnā koutou katoa

Welcome to the final week of Term 3. Reflecting back over the term, it has again been a bit unsettling with the change in COVID Alert Levels. I want to thank you for your support by following our Alert Level 2 protocols and keeping sick children home. Hopefully, we can enjoy a final term staying at Alert Level 1. I've also been really impressed by the learning that I am seeing happening. Many of our students are starting to become more 'active' learners and lead their own learning. This is really important to set them up for success as adults. Finally, I would like to thank our teaching staff, both teachers and support staff, who do an extraordinary job with our tamariki. They have earned a rest and will be looking forward to getting back for Term 4.
