4 November 2020

Welcome to Week 4. The term is flying past and there is lots going on at Kapiti Primary School. It was great to have whanau come in and help us make poi for our kapa haka. Thanks Whaea Nikki for teaching us. We now have plenty and hope to use them at the Kapa Haka Hui on Friday 4 December.

Kapiti's Got Talent

Our talented students are busy preparing for round two of the competition this week. If you can make it down to support them, we would love to see you on Friday at 9am. Come on down and see some of the fabulous talent we have on display.

Junior Athletics

These were postponed today until this Friday.

Senior Athletics

A notice will come home shortly to those students who will be participating at the Year 7-8 athletics event. We will need volunteers to help out and would appreciate it if you would please return the forms as soon as possible.

School Christmas Raffle

Thank you so much for your donations so far towards our Christmas Hamper. Our annual Christmas raffle is always a great way to end the year. Please keep the donations coming - it could be food, Christmas decorations/paper, treats (sweets and chocolates), a voucher, anything that would make it a great hamper to win. Today, we are sending home the green raffle cards and it is hoped that every family will sell one card (10 tickets) at a \$1 per ticket. You might like to sell them to your family and friends. If you are able to sell more tickets please let us know and we will send them home. We appreciate your help with this. Thank you:)

I just wanted to thank you and all your coaches for such amazing dedication and hard work with all the cheer teams. There is such a huge sense of pride and belonging at Bigair. The results today were amazing and a tribute to the commitment you all have to the children. They all know you believe in their capabilities, and their ability to be successful and have their cheer dreams come true! It is so joyous to watch the togetherness, care, connection, praise, genuine concern, love, and support between the girls. Not to mention the sheer fun, excitement, and delight I see on their faces! I love what cheer does for their self esteem, confidence and personal growth. You are all helping to grow amazing children and I am so grateful that this opportunity is afforded to my daughter.
