Together Everyone Achieves More

26 August 2020

Tēnā koutou katoa

Our students have been busy preparing for student-led conferences which are today and tomorrow. It is great to see how many whanau will be coming to join us and I'm sure you will be proud of the work our tamariki have been doing. As I've been getting around our learning spaces, I can see students making more and more progress and a huge growth in their confidence. Lets keep supporting our tamariki together and set them up for success.

Cyber Safety

The highly regarded John Parsons is visiting us on **Wednesday 9 September** and holding a whanau evening starting at **6.30pm**. This will include:

- Identifying the specific challenges children face when using ICT
- Guidance on behaviour management processes for whānau in situations they will face
- Empowering whānau to take responsibility for safeguarding their children
- Building tools that whānau can use to support their children with ICT use, safely and ethically

Please add this to your diary and come down to experience a great session.

We will also be raffling off this bike. You just have to come and find out how to support your tamariki with their devices.

Teacher Only Day - THIS FRIDAY!

A reminder that this **Friday 28 August**, we will be having a teacher only day. This will mean students need to stay home while teachers are at school conducting professional development. Thanks for your support with this.

Thanks Pak'nSave Kapiti

We are really fortunate to have Pak'nSave Kapiti support our school by supplying emergency food. This will ensure we are well prepared for any eventuality.
