Together Everyone Achieves More

14 October 2020

Tēnā koutou katoa

We are looking forward to having a fantastic term to end what has been a very strange year. The impact of COVID-19 cannot be taken lightly and I encourage you all to take stock of what is important. For us at school, that is our tamariki. It has been great to see all the smiling faces back this week and they have got straight into their learning.

Athletics

As the weather warms, we will be outside learning about athletics, practising our throwing, jumping and running. Students have already enjoyed their first session, using some of our new equipment.

Fun Run

Next **Wednesday 21 November between 11:20 and 12:50**, we will be holding a school-wide TEAM event. Students will be participating in an obstacle course fun run similar to the one we had last year. It will be a great occasion and we would love you to come down and participate. There will be a sausage sizzle and the chance to spray your children with water pistols. How could you refuse? Students should bring a change of clothes if they want to get wet, a towel, have plenty of sunscreen on and make sure they bring a water bottle.

Hats for Term Four

Term Four is a hat wearing one. Your tamariki must wear a potai with a full brim. This is really important to protect young skin against sunburn and skin cancer later in life. We know you will support us with this.

Mihi Whakatau

It is always a special time when we welcome new members to our KPS Whānau. Today was another great occasion and it is nice to hear comments from manuhiri that they feel welcomed to our school. During the Whaikōrero, I spoke about the success of our school not being linked to an individual but to the collective group and we can achieve great things by working together.

**Nga mihi nui,
Brent McDowell
Principal**
